## ABOUT US

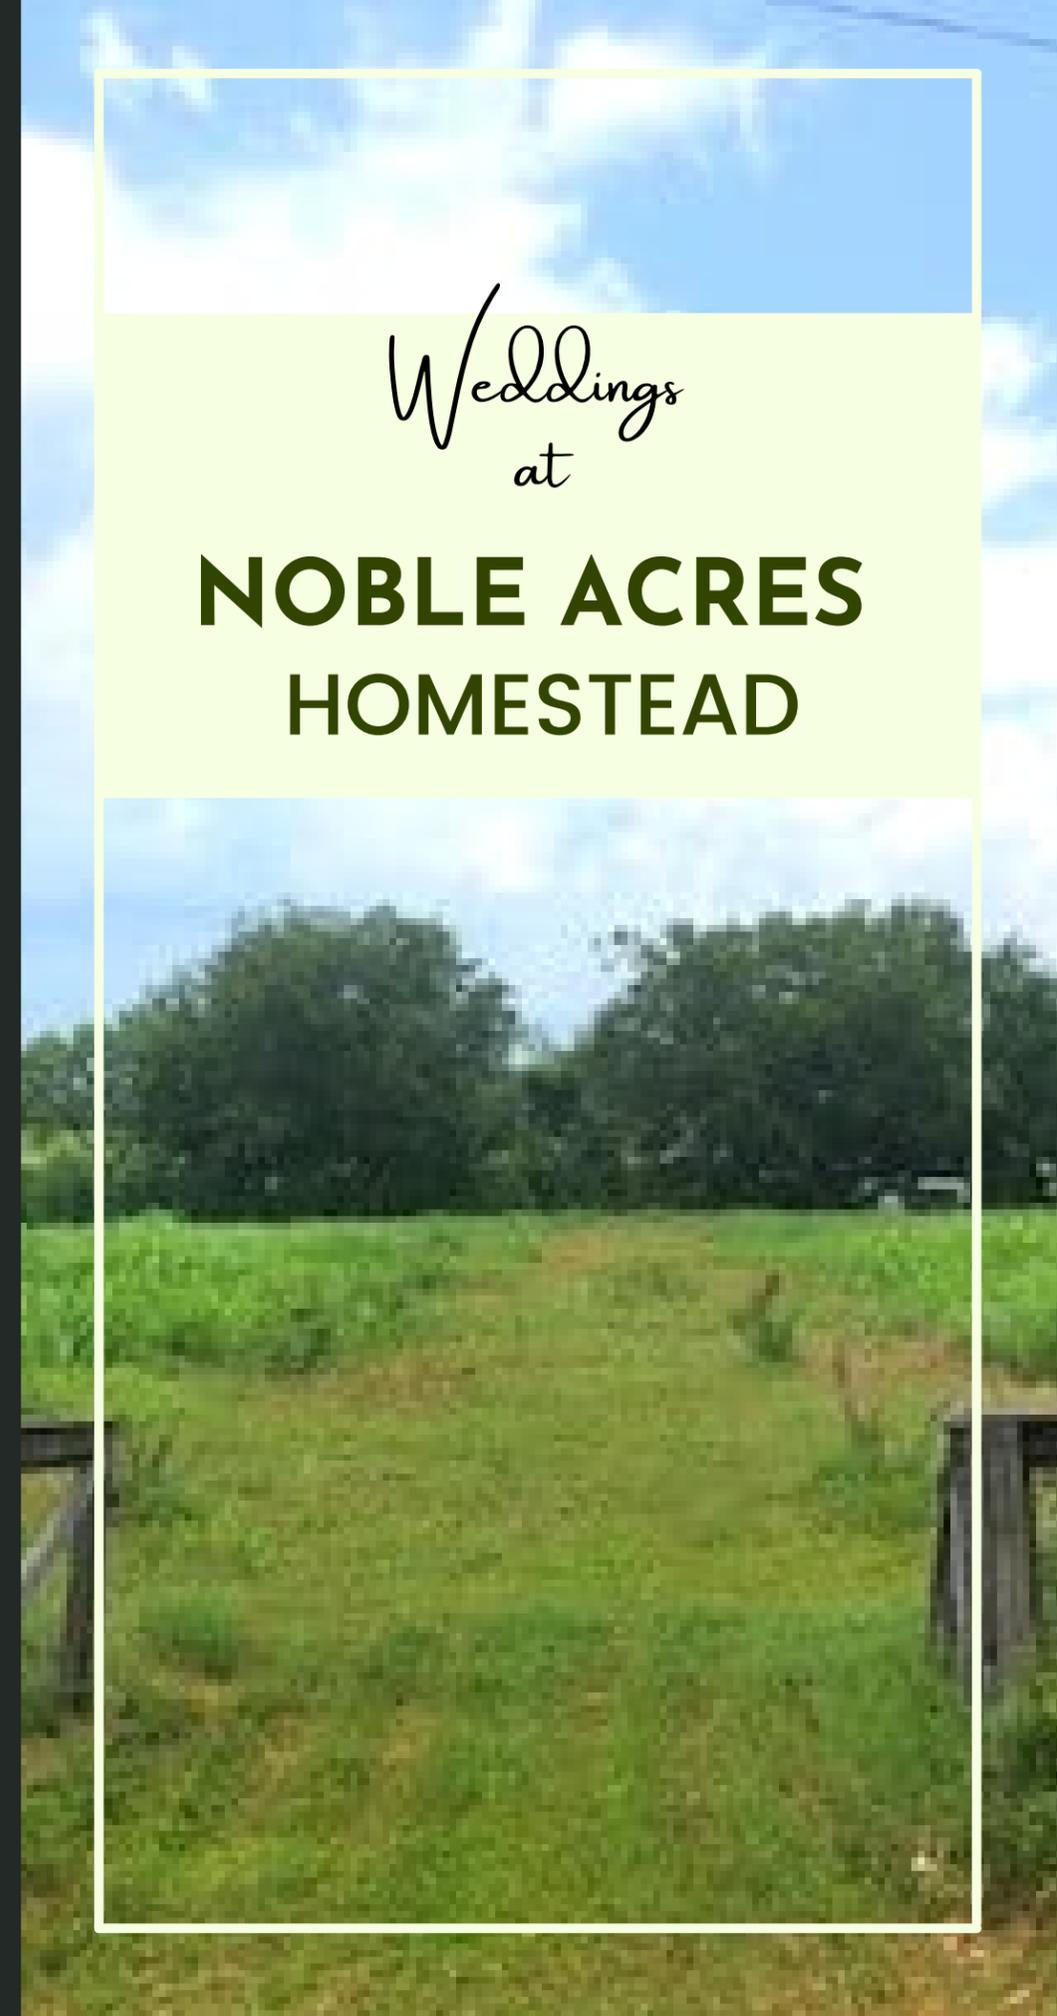

Noble Art Homestead is an artist's home located in Seguin, Texas. Noble Art has been painting as ministry for many years, and transitioning into memorable paintings for couples on their wedding day or special occasions as well as hosting entire events. This has been a very special and organic process. Our home is more than just suitable for your special day. We want to create a magical experience with natural surroundings, artistic touches and thoughtful planning as only a painter can. And as a unique thankyou, Keely will include a painting to specially capture your memorable day. We can't wait to hear your wonderful story.

## OUR SERVICES

Our 3 acres is filled with picturesque natural backdrops which set the variety of stages for the Ceremony, Reception, and Cocktail hour. We want to assist in planning your perfect day, while offering you access to our closest friends and family who specialize in the needs of an exquisite wedding experience.

## DINING

We can provide a seated indoor meal for intimate weddings, outdoor seating for large events and an elegant grazing table option for casual dining.

Our homestead sits 20 miles central to New Braunfels, Cibolo, and Seguin. With Mexican, Italian, and more just a short distance, we are hopeful to find the perfect palette for your taste. So whether your vision is indoor or outdoor, seated or grazing, casual or formal, we will ensure you and your guests feel right at home at our homestead.

## ROOM

The dining area is a pathway that gracefully connects interior and exterior. The sliding glass doors that stretch the full length of the room can be opened up to invite nature in on a beautiful weather day or night.
